Storage Asset Management, Inc. Donation to Susan G. Komen

Storage Asset Management, Inc. (SAM) is pleased to announce that their managed facilities donated \$1,055 to the Susan G. Komen foundation. Storage Asset Management has also matched the donation bringing the total to \$2,110. The money was raised through an initiative at all of SAM's managed stores. Every time an item from a facility's packing and moving supplies selection was purchased, a portion of the sale was donated to Susan G. Komen. During the month of October, SAM's 48 managed properties participated in this initiative.

Susan G. Komen foundation focuses on breast cancer education, research, advocacy, health services and social support programs in the U.S.

"We are so grateful to our property managers for their work in promoting this initiative again this year. We are proud to make this donation to such a great foundation," said Alyssa Quill, Storage Asset Management's Managing Partner.
